LIKE "education," "friendship," and "spirit," "Davidson" will always be difficult to define. However many our experiences—the smiles, the cheers, the lectures, the books, the meetings, the friends—the list remains forever incomplete, as if coaxing us to lengthen and deepen our definition, to make it adequate.

In a sense, *QUIPS AND CRANKS 1951* is a visual definition of Davidson: what outsiders might see of the school if they looked enough and examined the record. But for students, especially Seniors, the pictures herein are only reminders of memories which lie deeper than pictures.

Then memories, too, may fail to compose the definition some seek; for values elude even the plunging of memory into the well of experience.

Nevertheless, for the enduring values which you may detect in word and picture, we present this annual, confident that the smiles, the cheers, the lectures, the books, the meetings, and the friends symbolize if they do not define Davidson, whose real value is yet to be felt through this discordant world.

... Summer's experiences fade away ...

as college activities occupy our thoughts and time . . .

Fall and Winter, and all that they bring,

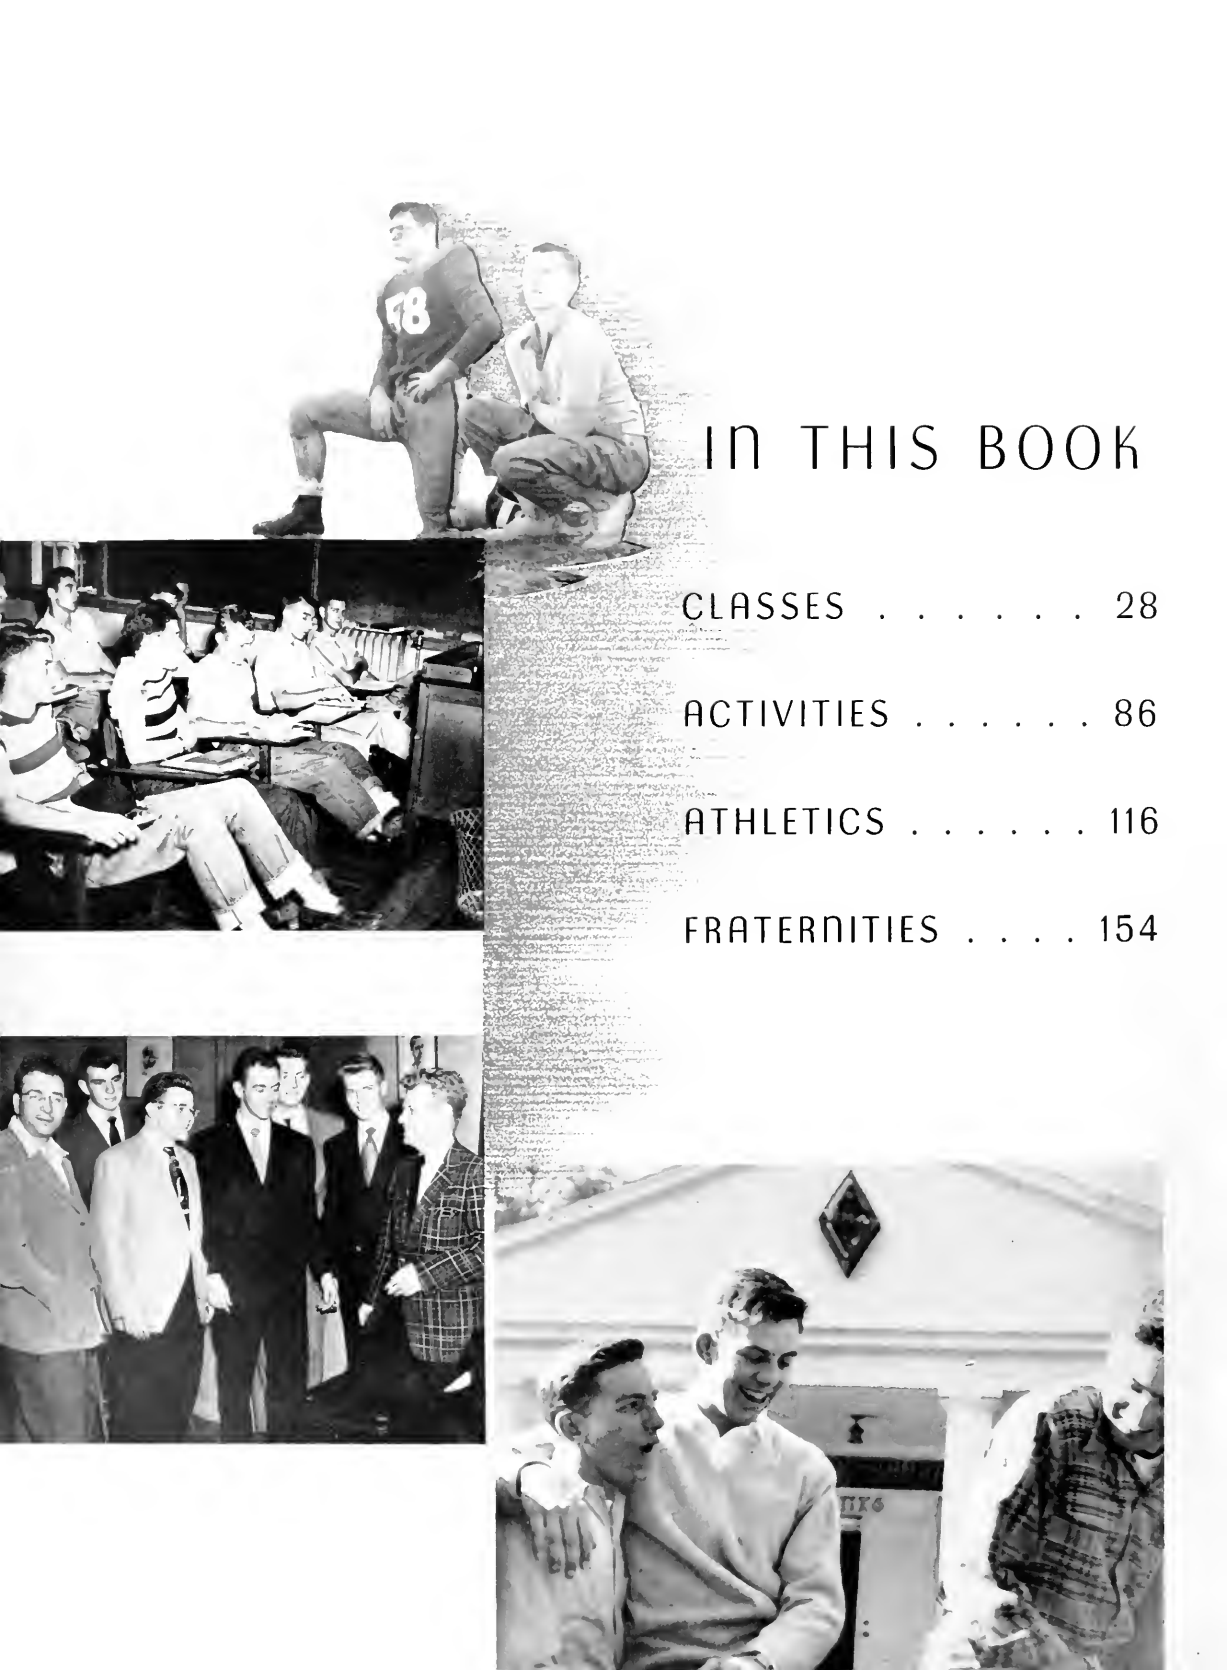

are suddenly past

*Spring is upon us, and graduation exercises
bring another year at Davidson to a close . . .*

DEAN JOHN C. BAILEY

In grateful appreciation of the many times he has counseled and guided us, and in full realization that his policies have been designed to make of us better men, we humbly dedicate the 1951 QUIPS AND CRANKS to Dean John C. Bailey—a scholar, a gentleman and a friend.

OFFICE OF THE PRESIDENT

February 15, 1951

Dear Friends:

You come to the end of your college course in a time of confusion, conflict, and uncertainty.

You will need, as you will deserve, the best your Alma Mater has been able to provide, not only in the areas of instruction, but also in moral and spiritual guidance and vigor. I trust that the sum total of Davidson's impact on your body, mind, and spirit, will prove a lasting asset to your life and career.

Men in the past have not become great through ease and freedom from challenge and difficulties. I would urge you to meet the strain of the times with courage and faith. Out of such qualities and such leadership we may yet see the better day that is to be.

Our affection, our confidence, and our prayers will accompany you on your way. That you will prove true to the trust which is yours, we have highest hope.

Cordially yours,

JRC:EWB

OFFICERS

RANDY TAYLOR President
 TOM STOCKTON First Vice-President
 MAC McLEAN Second Vice-President
 GEORGE CORNELSON Secretary-Treasurer

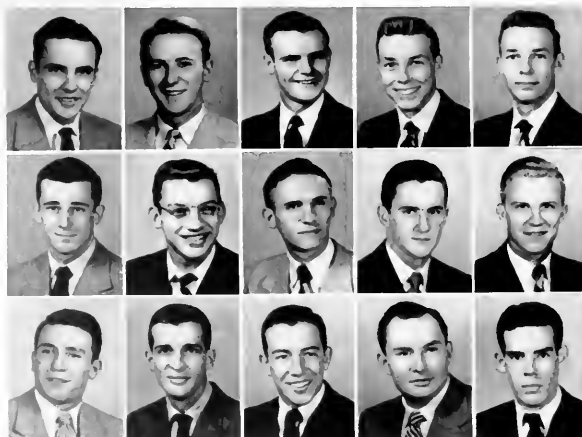

The Student Council was founded in the year 1910 to correct such conduct and practices in the dormitories and on the campus which were directly contrary to the ideals and standards of the Student Body. Along with this the Student Council set about to put in play a more efficient enforcement of the Davidson Honor System.

This has been the primary duty of the Student Council ever since it was founded. It is composed of the President, Vice-Presidents, Secretary-Treasurer of the Student Body, and the Presidents of the three upper classes together with four men elected by the Senior Class, two by the Junior Class, and one by the Sophomore Class.

The Student Council is an organization increasing yearly in esteem, and is recognized as a group which holds the chief interest of the Student Body as its guiding principle.

Instigating and guiding much of the student religious activity, the Young Men's Christian Association seeks positive action in at least the four areas of commitment, community, vocation, and outreach. Standing at the heart of the whole program is the Christ of God and the task of the Y.M.C.A. is to portray Him, alive and meaningful, to the Davidson campus. Some of the ways in which this was attempted during the year are—

- Brady's Alley: a new record in Y.M.C.A. Gift Funds;
- Fall Services: Dr. Mark Depp on "Faith that Lives";
- Forums: "World Attitudes," "Athletics," "Communism," others;
- Christmas Vespers;
- Boys' work in Davidson, Cornelius and Huntersville;
- Sunday night discussion groups;
- Spring Services with Dr. Harry Moffett and counselors;
- Bible Class: Matthew with coffee and doughnuts;
- Revised Constitution of Board of Directors;
- Hall prayer meetings;
- "Y Day": Thursday chapels.

Court of Control

*Standing: Allen, Brooks, Whisnant, Davis.
Seated: Stroud, Stuart, Guiton, Kelton.*

One of the greatest things about Davidson is its traditions, and one of the greatest traditions is that of having certain rules and regulations which the Freshmen must obey.

This is the job the Court of Control has taken over at Davidson. Empowered by the Student Body Constitution, it maintains strict discipline among the Freshmen by hearing, investigating, and dealing with charges brought by upperclassmen against Freshmen for improper conduct, violating Freshman Regulations, or breaking College's traditions.

But disciplinary action is not the sole purpose of the Court. It also functions as an advisory body and has an earnest desire to help the Freshmen.

The Red and Black Masquers is an honorary group composed of those who have actively shown their interest in dramatics. Its purpose is threefold: to foster an interest in the theater, to honor those who have shown excellence in participating in the Masquers' productions, and to provide plays for the entertainment of the Student Body and friends of Davidson.

It was organized here at Davidson in the year 1920-21, when Professor Erwin joined the Davidson Faculty and assumed his volunteer duties as adviser, a position he has held since that time.

Philanthropic Literary Society

IRVING STUBBS, *President*

Annually sponsored debates and creative writing contests in the field of poetry, essay, and short story writing are just two of the many programs sponsored by the Philanthropic Literary Society in the furtherance of its two main objectives—increased literary and oratorical activities among its members.

During its meetings a proper use of parliamentary procedure is stressed and impromptu speaking is encouraged. Among its many activities, the society sponsors chapel programs for the entertainment of the Student Body, a competitive oratorical contest with the Eumanean Literary Society, a Spring Social, and furnishes two marshals for the graduation exercises.

During the first semester the Society was under the able leadership of Irving Stubbs. For the second semester the Society chose Bill Harris to lead it.

Eumenean Literary Society

KEN GOODPASTURE, *President*

The Eumenean Literary Society, being the oldest on the Campus, is dedicated to the purpose of bettering the writing and speaking powers of its members. In fulfilling these objectives the Society encourages both love of literature and argumentative discourse which provokes thought.

At each meeting a formal program is presented and afterwards discussed by the members. Also each year a medal is given to the outstanding freshman orator in the membership, and much time is devoted to both debating and original composition.

The Society, with its membership consisting of selected students from all four classes, closely adheres to parliamentary procedure in all of its meetings and offers a time for discussion of current affairs and for the making of lasting friendships so necessary to college life.

Clear thinking, clear speaking, and clear writing are the ultimate goals of the Eumenean Literary Society.

WHO'S WHO

This year Davidson is proud to have thirteen seniors as representatives in *Who's Who Among Students in American Universities and Colleges*. Having been chosen for their scholarship, leadership, character, general service, participation in campus activities, and potential usefulness to society, these men are given national recognition by this honor as being the finest products of American Education.

Chosen this year were: Bill Bird, Bill Cassels, Ray Cunningham, Hoopie Davis, Ken Goodpasture, Sam Joyner, Bill Klein, Auburn Lambeth, Neil Leach, Gordon Scott, Don Shriver, Irving Stubbs, and Randy Taylor.

The Forensic Council of Davidson College was established for the purpose of promoting an understanding of current issues and the development of good speakers.

The Forensic Council, or debating team, consists of two teams and four alternates. Each team is composed of two men debating the affirmative and two the negative. These men were chosen in tryouts in the fall by a faculty committee.

In addition to taking part in debates, the Council for the last three years has sponsored a Freshman Oratorical Contest for the purpose of stimulating interest in Forensic activities.

Photo Club

DAVID MATTHEWS, *President*

Organized in 1948 and having as its faculty sponsor Mr. Lacy Sellars, the Photo Club was organized in an effort to promote an interest in photography and to provide a means of expression for those members of the Student Body who are interested in photography as a hobby.

The Club has undertaken the sponsorship of a monthly contest, the "Picture of the Month" being selected from entries submitted by the members.

The Publications Board is composed of three students elected by the Student Body and two faculty members appointed by the college administration. It appoints the business managers of *QUIPS AND CRANKS*, *Scripts 'n Pranks*, and *The Davidsonian*.

The Board is given complete supervision over the financial administration of the student publications by the Constitution of the Student Body. It meets once a month and is instrumental in coordinating the activities of, and giving joint supervision and mutual aid to, each publication.

Quips and Crank's

BOB HUBBELL, *Business Manager*

QUIPS AND CRANKS, yearbook publication of the Senior Class, was first published at Davidson in 1895. Since then, it has appeared annually, with interruptions only during the two war periods.

QUIPS AND CRANKS is a pictorial presentation of the year's activities on the campus. With sections devoted to the administration, the classes, activities, athletics, and fraternities, and through the use of formal photographs, snapshots, and other means, we have tried to completely illustrate this year at Davidson.

It is hoped that this 1951 issue of QUIPS AND CRANKS will serve as a reminder to the graduating class of their years in college and will give a clear picture of Davidson to those other than the student body.

The Davidsonian

The Davidsonian, a weekly publication, is the official newspaper of the college and is distributed each Friday. The paper was founded in 1915, is a member of the Associated Collegiate Press, and has always received a rating of First Class.

Headed by an editor and a business manager chosen from the Senior Class, the staff consists of members from all four classes. Much of the responsibility for the publication is assumed by the associate editors and the managing editors of the various editorial and business departments.

The Davidsonian reflects all phases of campus life and includes sports, editorials, letters to the editors, student columns, movie "write-ups," fraternity activities, feature stories and varied campus news.

MALE CHORUS

Again this year the Male Chorus has proved to be a highly polished group of young male singers. This is due to the high selectivity of its members and the never ending practice demanded by its leader, Mr. Earl Berg.

In addition to the usual responsibilities of local concerts, the group enjoyed a spring tour of several Northern states which included a nationwide concert over the National Broadcasting Company which originated in New York City.

CHAPEL CHOIR

The Chapel Choir, a relatively new choral group on the campus of Davidson, is composed of members of the student body who share a common interest in singing.

Under the direction of Mr. H. M. Frantz, the choir frequently sings during our weekly Vespers and occasionally during Chapel.

Under the capable leadership of Mr. Kenneth Moore, the Football Band accompanied the team in all home games, games in Charlotte, and trips to P.C. in Clinton, S. C., Raleigh, N. C., for the State game, and the Thanksgiving game with Georgia Tech in Atlanta, Ga.

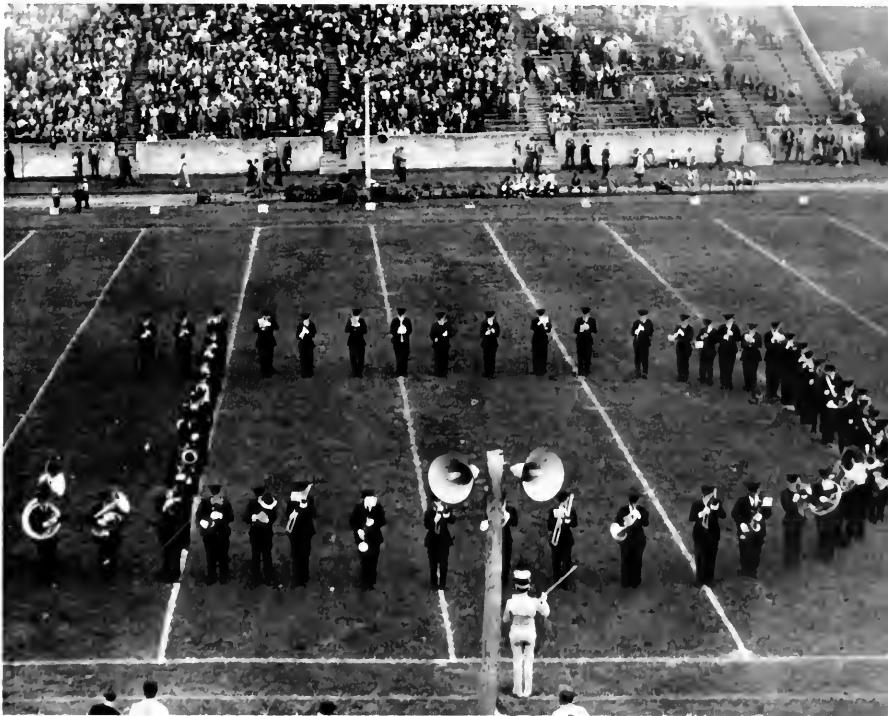

The organization is composed of approximately fifty musicians from the student body, whose principal goals are to further spirit in the college athletic events, and provide entertainment throughout the games through music and exhibitions.

Symphonic Band

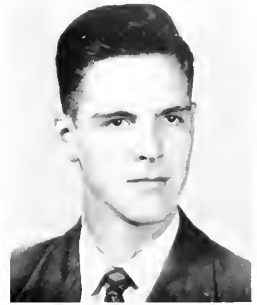

Little Symphony Orchestra

Frequently called "the South's finest college band," the Symphonic Band of Davidson College has had a full schedule of appearances throughout the year. Under the direction of Mr. James C. Pfohl, there were several home concerts; a concert in Atlanta, Ga., in the fall; and most significantly, two concerts for the Southern Conference for Music Educators in Richmond, Va., during the month of April. It was the only college band invited to participate in this conference.

Dr. Edwin Franko Goldman was the guest conductor for a concert in connection with the Arts Festival held here in the spring.

The Band this year has stressed the performance of compositions written especially for the concert band, which now constitute an important medium of musical expression.

JIM LARKIN
President

The Little Symphony Orchestra is composed of the best material available in both Davidson and Queens Colleges.

The orchestra gave a program here, and at the Mint Museum in Charlotte during December, and played an important part in the Arts Festival programs.

Many of the members of this organization also play in the Charlotte Symphony, which offers additional orchestral experience.

Rifle Team

The Davidson College Rifle Team had one of its most successful seasons in recent years. Coached by Captain B. F. Hood and Sergeant First Class J. P. Butts, and captained by Aubrey Miree, the team fired a total of twenty-five matches with schools from all parts of the country. To this date, with four matches yet to fire, the team has beaten seventeen of its twenty-one opponents. High firer of the season was Aubrey Miree, closely followed by consistent shots John Thompson, Hallet Ward, Frank McCutchan, Wallace Abbot, and Alan Groseclose. Awards for outstanding shooting went to Aubrey Miree and John Thompson.

COACHES

Soon after the completion of the Johnson Gymnasium, several new faces appeared among the athletic staff. The new athletic director, Paul Scott, arrived early in 1950, and has inaugurated a much improved athletic program in the school, both in intercollegiate and intramural sports.

Crowell Little took charge of the Davidson football team about the same time, and Ton Fetzner was another addition to the football staff. Dick Redding, swimming coach, Boyd Baird, basketball coach, and Ray Brown completed the roster of regular football coaches.

Heath Whittle and Derrick Barton are old Davidson standbys, and are well-known for the top flight track and tennis teams that they field.

Coaching the wrestling team were Charlie Parker, trainer, and Director Scott. Frank Packard was named baseball coach early in March.

FOOTBALL

A new regime took over the helm of the Davidson grid machine this year, and a new hopped-up offense was added. Crowell Little was brought to Davidson as the new gridiron mentor, and hopes were high for a new era in football here. Although not a highly successful season, the results were rewarding, and showed promise of better things to come if the squad should escape the grasping fingers of the draft.

Coach Little, leaving his job as assistant coach at Carolina to come to Davidson, instituted a new formation, and Davidson became the second team in the Big Five to switch to the T. Helping Little in his duties as coach were Tom Fetzer, Dick Redding, Boyd Baird, Ray Brown, Jake Wade and Kirk Oglesby.

Davidson Wildcats

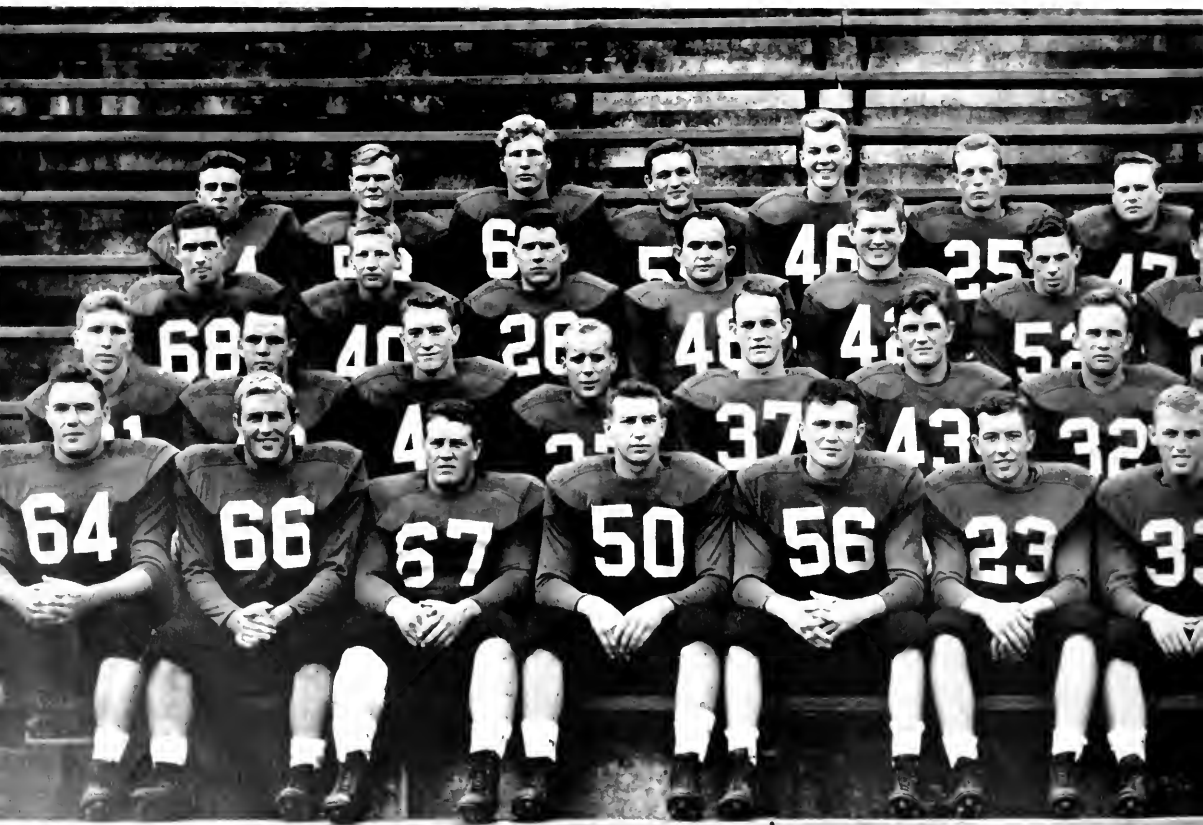

Playing their usual varied and tough schedule, the Cats looked much better in action than their won-lost record would seem to indicate. The Davidson team showed an offensive power that had been conspicuous by its absence in previous years, and they scored in every game, even against some of the conference leaders. Sparkplug of this power was Auburn Lambeth who passed, ran, and called plays to make the "Little T" click. Lambeth, returned to the quarterback position with which he had become familiar on his Decatur, Georgia, state conference high school team, racked up many individual honors, and was the motive power around which the Davidson offense was built.

The Wildcats, playing under handicaps which plagued the team consistently up until the Richmond game, nevertheless displayed several sterling performances, and with the added help of the alumni Wildcat Club, should do even better in the future. Several transfer students added to the strength of the team, and sophomore backs A. C. Gregg and Roy White showed promise of potential future greatness. Jack Ruth, soph quarterback, looked good in the role of Lambeth's understudy.

Lambeth, the Davidson passing ace, earned many honors throughout the season. He remained consistently near the top of conference standings in pass completions, passing offense, and total offense. At the end of the season he was named to the Associated Press All State second team, the *Charlotte News* All Southern Conference second team, the Southern Conference Sports Writers' All Conference third team, and received honorable mention for the Association Press All Southern team. Midway in the season against V.M.I. he completed his 200th pass of his college career, and added many more to this total during the remainder of the season.

High lights of the season were the victories over P. C., Erskine, and Richmond, the latter two being somewhat in the nature of scoring records. Another standout game was the inspired defensive performance that the Cats gave against the N. C. State Wolfpack.

Several Davidson players were named to Southern Conference weekly All Star teams, and Coach Little was named Southern Conference Coach of the Week after the Richmond game.

DAVIDSON 20—FURMAN 32

Davidson scored two minutes and twenty seconds after the opening whistle to grab an early 7-0 lead over the Furman Hurricane, and seemed destined to win until the fourth quarter, when the sleeping Hurricane became a tornado, blasting through for nineteen points.

FASUL, Guard

PEFFER, Back

Coach Crowell Little's new Davidson T formation looked good in its debut, and showed promise of the offensive power it was to exhibit all season. Especially impressive was Auburn Lambeth, who completed nine out of eighteen passes. Another standout was sophomore A. C. Gregg, who made several nice runs.

DAVIDSON 24—P. C. 0

Out to avenge their 27-7 licking by the Blue Hose of Presbyterian College last year, the Cats scored twice in the first period on Lambeth passes, once in the second quarter on a line buck by full back C. L. Runyan, and again in the fourth quarter on another pass to swamp their Presbyterian cousins by a score of 24-0. P. C., with a backfield geared for speed, had been favored to win, but a tight six man line and smart end play held the famed ten-second men scoreless. This upset earned the Wildcats the honor of Southern Conference Team of the Week.

GIBSON, Guard

Outstanding line play was shown by Bill Freeman, and during the first half Lambeth quarterback backed "... one of the finest first halves of college football ..." that Coach Crowell Little had ever seen.

The only Blue Hose threat came at the end of the first half. Time ran out as P. C. back Jack Harper looked vainly for a receiver in the D. C. end zone.

DAVIDSON 12—CITADEL 19

A one-man attack by quarterback Auburn Lambeth, who completed 16 out of 22 passes attempted, was not enough to fight off a Citadel Bulldog victory, but it came close. The Citadel scored in the first quarter on a pass which had been set up by a 54 yard run by Bohlen, who also scored in the second quarter by taking advantage of a Davidson fumble on its own 13 yard line. A Davidson drive late in the half ended on the Bulldog three, but when The Citadel punted out, Davidson scored in three plays on a pass from Lambeth to fullback C. L. Runyan in the end zone. A Bulldog drive died on the Davidson three as the half ended.

The Citadel took the second half kickoff and scored to climax a 78 yard drive. The Wildcats drove back 81 yards on five Lambeth passes to set up the score by Wade from the one. Another fourth period Davidson drive failed, and the ball stayed in The Citadel's possession thereafter.

DAVIDSON 12—WASHINGTON & LEE 47

Washington and Lee's finest team in a generation had an easy time in running up a 47-12 score over the Davidson Wildcats. Gil Bacetti sparked the Generals' attack, which produced seven touchdowns by seven different backs running from a split-T offensive formation. Near perfect blocking on the part of the Generals made the Davidson defense look somewhat less than great, although the Cats did move well on offense. W. & L. scored twice in each of the first two periods and three times in the third.

FREEMAN, Tackle

Davidson's touchdowns came on passes, the first from Lambeth to end Bob Turk near the end of the second quarter, and the last from soph Jack Ruth to Turk early in the fourth period.

On offense, Davidson passers Lambeth and Ruth were most outstanding, hitting 12 for 23, and four for eight, respectively. Johnny Guiton and A. C. Gregg ran well for the Cats, and C. I. Runyan's punts were unusually long.

DAVIDSON 6—V. M. I. 46

The "it" men, Coley and Stump, of the Virginia Military Institute's novel "IT" formation produced as expected in downing the Davidsonians 46-6. The Keydets scored after only three minutes had elapsed, and added two more touchdowns during each succeeding quarter. The Cats were again unable to do much on defense as the Keydets produced 20 first downs rushing, with a total rushing yardage of 327. Davidson's only score came early in the second period, a 96 yard drive ending in a touchdown pass from Lambeth to Guiton.

Lambeth's passing was the only bright part of an otherwise dark afternoon. The stands cheered when it was announced that his eleventh completion that afternoon had brought Lambeth's total completions to 200 in his college career, a sum achieved by only a limited number of college football players.

DAVIDSON 44—ERSKINE 0

Playing without the services of passer-quarterback Auburn Lambeth, the Davidson Wildcats rolled up the largest score in three years in beating Erskine 44-0. Hampered, but apparently not handicapped by the absence of Lambeth and several others due to injuries, Coach Little freely used soph and junior subs in a contest that was all Davidson. The subs, moreover, showed up extremely well. Sophomore Jack Ruth, subbing for Lambeth, directed a good game from his quarterback slot, completing four out of eight passes for a total of 76 yards. Also outstanding were Johnny Guiton, starting his first game of the season, Roy White, and C. L. Runyan. Guiton and White each averaged nearly seven yards per try, while Runyan couldn't be stopped, carrying ten times for a total of 109 yards.

Two touchdowns each were scored by Guiton and White, a fifth came on Runyan's 25 yard ramble, a sixth was made by Ham Wade, while the seventh came on a pass from Ruth to end Dave Williams.

DAVIDSON 7—N. C. STATE 15

N. C. State found a battle on their hands when the Cats journeyed to Raleigh for the renewal of the two clubs' annual rivalry. Fought to a scoreless first half, the Wolfpack was hard put to squeeze a 15-7 victory over the inspired Presbyterians. Davidson played what Coach Little called "our best game all year," and drew praise from all sides in holding down State runners Mooney and O'Rourke.

Although the game was played in the rain, Davidson lost only one fumble; one, however, which served to break the scoreless deadlock by allowing State to score a safety midway in the third period. State's two touchdowns came shortly after the fourth period started. Mooney and O'Rourke each scoring. Davidson took the ensuing kickoff on its own 45 and in four plays moved the ball to the Wolfpack 36, from where Ham Wade made the niftiest run of the game to score.

Coach Little was high in his praise of the defensive work of the team, pointing out linemen George Nickels, Jerry Kiser, Walter Oakes, and Jim Fasul, and defensive back Dave Peeler.

DAVIDSON 39—RICHMOND 0

Out to prove to Coach Little that the fine battle that they gave N. C. State was no fluke, the Davidson Wildcats journeyed to Richmond at full strength for the first time all year and played an inspired ball game against the University of Richmond Spiders. The Cats played an even better game than they had played the previous week, and in the process ran up the largest number of points that a Davidson team had scored against Southern Conference opposition in 40 years.

Very pleased with the offensive showing of his charges, Little was even more highly elated over the defensive game and blocking which the team showed, and he praised the whole team rather than any individual players. Biggest offensive gun was Auburn Lambeth, who fired five touchdown passes in completing 11 out of 16 attempts. Catching the touchdown passes were ends Bob Turk and Dave Williams, and backs Johnny Guiton and Roy White. End Walter Oakes intercepted a Richmond pass and ran 32 yards for the other touchdown.

General's line blasted by Runyan.

Davidson, rated a two touchdown under-dog before the game, took only four minutes to score on a Lambeth to Turk pass, and Lambeth made three more TD passes before the first half was over. For the Wildcats' performance in this game, Coach Crowell Little was named Southern Conference Coach of the Week.

DAVIDSON 14—GEORGIA TECH 46

Playing in sub-zero weather which forced both teams to wear stockings and mittens, Davidson lost a cold game to the Georgia Tech Engineers in Atlanta to close the Cats' off-and-on season. Tech's Joe Salome passed and called plays to lead his team to victory over the almost lifeless Cats. Auburn Lambeth, playing his final collegiate game on his own stomping grounds, was used on both offense and defense, and showed most of the Presbyterians' offensive power. Even *his* outstanding passing ability, however, was somewhat dulled by the numbing cold which stiffened his receivers' fingers.

The Yellow Jackets scored early after capitalizing on a Davidson fumble. Three Tech touchdowns followed in the second period. Davidson's first score came in the third period when Hoopie Davis intercepted a pass deep in Tech territory, and Roy White bucked over on the next play. In the fourth quarter Lambeth set up the second touchdown with a pass to Dave Williams, and sneaked over a play later. Other standouts were ball carriers A. C. Gregg and Roy White. C. L. Runyan made several long punts. Tech's other two touchdowns came in the last stanza.

Basketball

The cryptic comment by a tired Wildeat eager after bowing to South Carolina 74-71, "We may not beat anybody, but we sure scare heck out of them," pretty well capsuled Davidson's 1950-51 basketball campaign.

At home in Johnston Gymnasium, Coach Boyd Baird's relative runts could reach up to shake their fists right in the faces of the Southern Conference's best, who just begin to grow at 6-6. On the road, however, the Cats won only four of seventeen, which capsuled with a three for nine home show gave them an over-all seven victories in twenty-six starts.

Four loop losses in a row rocked the Wildcats before they left for a Christmas swing North. N. C. State's perennial Wolfpack power breezed as expected to an 87-53 triumph in the season baptism for Boyd's boys. North Carolina's Tar Heels were the first to find fear of the Wildeat in his home lair, squeezing by 72-69 by staying off a last half Davidson drive. Richmond unexpectedly toppled the Cats 69-61, and William and Mary's strong Indians proved too much club for the Wildcats, 65-49.

The pre-Christmas jaunt netted Davidson a neat two for three average, losing only to Quantico's potent Marine outfit, while winning from favored Loyola of Baltimore and Geneva College by 65-63 and 79-68 respectively. Fitzgerald canned the winning bucket against Loyola with the buzzer sounding.

After the holidays the Cats dropped singletons to McCrary's Eagles and South Carolina before hopping back into the win column by nipping Citadel, 55-52. The following game was the one which set the conference talking and kept foes slated for Johnston Gym play sweating the rest of the season. In this game with N. C. State, the Cats were established giant-scarers if not giant-killers. The Wildcats ran up a fourteen point lead on the vaunted Pack, led 39-34 at halftime, but a 28 point spurt in ten minutes time in the second semester netted the heavily favored Wolves a 70-61 win. It was the second time in as many years that State, favored some 20-30 points, had panted out of Johnston Gym with only a nine point margin of victory.

That was only the beginning of the first half victories but second half losses. It had happened before the State contest—McCrary and North Carolina, and it continued uncomfortably long—until the end of the season. After leading U.N.C. 22-21 at halftime in Woollen Gym, the Cats bowed 56-53. Duke and Clemson were sound conquerers away from home, but back in Johnston Gym and Maryland, Davidson left the floor at halftime with a 35-22 lead, fought to keep the count knotted and send the game into overtime, and then saw it slip down the drain as Terp center Don Moran sank a quarter-court set as the bell sounded ending the overtime, 57-55.

Davidson vented some of its pent up wrath that week-end by thrashing Citadel on a slippery Charlotte Armory floor, the floor undoubtedly accounting for only a 69-49 Cat win. Big Jim Slaughter stooped through the doorway with his South Carolina teammates to head for the dressing room at Intermission trailing underdog Davidson 35-40, but they managed to break the Cats' backs and their supporters' hearts with a 74-71 squeak.

A victory over Furman, 78-63, came like a drink of water to a dying man, and the Cats set themselves for an invasion by Clemson and Duke. They played it smart against the Tigers, trailing 27-19 at halftime, and with Tommy Haller canning nine straight points in less than three minutes in the second half, moved ahead matching

Clemson point for point to take a 56-55 win. Duke had Dick Groat and too much polish—94-73.

Following a disastrous trip to Lexington which saw the Cats upended by Washington and Lee (after a 45-39 halftime lead) and cellarite V.M.L., Davidson dropped another close home contest 73-71 to McCrary's Eagles. Although the loss was another in which the Cats had won a first half (43-39) and failed to finish the job, it brought a new Davidson scoring record for a single game by Haller of 31 points. Tommy combined 12 field goals and seven free throws for his new high.

A 70-51 coast past Furman, a 78-74 loss to W & L with a near riot ensuing, and a 75-63 defeat at the hands of a strong Kentucky club, Morehead College, rang down the season.

Haller and Fred Hengeveld, as co-captaining seniors, were the outstanding performers for the Cats this winter. Junior Bill Brooks finished the season with the top average, 13.2, but he was followed closely by Haller with 12.4 and Hengeveld with 11.4. Brooks' Kaintuck companion, T. C. Coleman original starter at center, had to drop out with a bad knee after the second U.N.C. game, undeniably hurting the Cats when his experience

and rugged drive could not be called on the remainder of the season.

Hengeveld was honored by selection to the Southern Conference senior all-stars to loop champion N. C. State in a post season game, and with Brooks was named second string all-State by the *Charlotte Observer*.

Were it not for the long arm of the draft, prospects for next year would be looking up. Hengeveld and Haller are the only graduates. Don Lazenby, whose rebound and defensive play was terrific, will be back at guard with returning regular Mac McLean and steady reserve Bob Turk. Center is amply filled with Fitzgerald, Bill Proctor, and fast improving Joe Dudley in the fold in addition to 6-7 George Melton, expected up from the frosh ranks. Both Brooks and Coleman are slated to return at forwards, solving Coach Baird's problems of starters there.

Starting the season under a new coach and with only five returning lettermen, the Wildcats prospects would not at first glance have seemed too bright. Yet from all reports this year's Wildcat nine was potentially much stronger than that of last year, when QUIPS AND CRANKS went to press, and Coach Packard had instructed his boys that the word "lose" would be considered obscene on the Presbyterian diamond. In this he was fully backed by Co-Captains Auburn Lambeth and Fred "Dutch" Hengeveld.

Selection of Frank Packard as coach, who brings with him an outstanding professional record, was announced two days before regular season practice began. Packard's main task was in constructing an infield out of sophomores, transfers, and boys who were ineligible last year, since all of his lettermen, Hengeveld, Lambeth, Branch, Craven, and Smith, are pitchers and outfielders.

The success of the pitching staff depended on how the sophomore recruits developed.

THE 1951 DAVIDSON BASEBALL TEAM

The returning mound staff was paced by the scintillating control pitching of Dutch Hengeveld, who was flanked by veterans Tom Craven and Harold Smith. Mound aspirants who proved themselves in both starting and relieving roles were Jim Smith, Paul Eastman, Dickey Blanks, Tommy Ward, Sid Whiteheart, Vic Taylor, and Yancey Robertson. Jim Smith and Eastman were the most promising sophomores at the beginning of the season, having played outstanding ball as freshmen.

The job of filling the vacancy left by the transfer of catcher John Jervis was carried through by Bert Downs and Lee Talbert. With their dependable hitting and accurate throwing arms, both men served advance notice that the strength and depth needed in this position would be amply provided.

An infield without a returning letterman was the big pre-season question mark. Soon after practice started, however, it was evident that there was little cause for worry in this department. At first base sophomore Arnold Whisnant showed speed and finesse and an invaluable consistency at the plate. An apt

successor to Jake Wade and Billy Houck at the keystone sack was Johnny Guiton, speedy little hustler from Lillington. Teaming Guiton with a newcomer at shortstop, Chuck Elliott, Coach Packard found a double-play combination which was a vital cog in a tight infield.

Duties at third were divided between Jimmy Miller and sophomore T. W. Aldred, who brought along high recommendations from his freshman performance last year. Added depth to the infield was found in versatile performer Lee Talbert, who doubled as catcher and utility infielder, and in Jim McFarland.

Outfield prospects were the best in several seasons for the Wildcats. Co-Captain Auburn Lambeth and newcomer Bill Rowland formed a nucleus around which a hard-hitting lineup was built. With distance hitter Jack Branch, and Jerry Morrow, leading frosh batter of last year, vying for the other outfield position, an outfield combination second to none in the conference resulted, which proved a vital factor in the success that the Cat diamond crew achieved this year.

Track

Having lost only two lettermen by way of graduation last year, the hopes are high for a very successful track season at Davidson this year. The team seems to be even stronger than last year's edition, especially in the 880 and broad jump events.

Captain Bill Pritchett leads his cindermen into battle on March 31, when they meet Lenoir Rhyne in a practice meet. Following this meet in rapid order the Cats will battle Wake Forest, Mercer University, Florida State University and Emory University, Washington and Lee, and Clemson.

Competition will be keen among contestants for the field events. Bill McNely will toss the shot, and will be assisted by Andy Horne, Don Lazenby, Gene Pierce, and Wes Pritchard. These men will also handle the discus duties.

At the javelin throw, Ted Bowen adds his strength to the present powers of Joe Miller, Jim Fickeisen, and Horne. The high jump will be handled by Roger Cornell and Dave Williams. Cornell will be aided in the broad jump by Roy White, Tom Wooten, and Ken Goodpasture, and hoisting themselves over the bar in the pole vault will be Al Miller and Bob Poston.

THE SQUAD

Ken Goodpasture leads off in the track division, being number one man in the 100-yard dash. Bob Barron will run with Ken in the 220. In the 440 will be a crowd of Davidsonians, including Dick Stockton, Lynn Crawley, Al Reese, Bob Henry, Gordon Stuart, and Bill Bacon. Henry and both Stocktons will run in the 880, while Tom Stockton will team with Blake Bradley to handle the mile chores. Bill Lee, Dick Patterson, and Bill Lord will be the Wildcat cindermen in the two-mile run.

The mile relay team will be picked from such proven runners as D. Stockton, Crawley, Bill White, Pritchett, Henry, and Bacon. Pritchett and Bill White will jump the high hurdles, and the low hurdles will be vaulted by Roy White, Bill White, Pritchett, Fickeisen, and Ed West.

KENNEDY

STRAND, Captain

The Cat net future for 1951 looked dim as five of last year's six top racketeers were lost by way of graduation, including such outstanding stars as Bo Roddey, Whit Cobb, and Teddy Keesler. But starting early and working hard, the man with the English accent has molded a spirited and fighting team out of what was left of the '50 squad.

To take a look at the schedule which Barton has arranged, one would think that Davidson was contending for top team in the South. The weakened condition of his team did not prevent him from booking such opponents as University of Florida, Florida Southern, Florida State, Georgia Tech, Presbyterian, Kalamazoo, William and Mary, Harvard, Duke, N. C. State, U. N. C., University of Georgia, Yale, Lehigh, University of Virginia, and Roanoke. Other non-college games have also been scheduled.

Stepping straight from fourth ranking player to the hard-to-fill number-one shoes of Bo Roddey is junior Allan Strand, who leads the Cat attack this year. Number two spot is held at this writing by Peyre Kennedy, but he is being challenged by third ranking Bill Childs. Both of these men are seniors. Dewey Keesler, showing steady improvement, performs in the fourth slot, while sophomores Joe Dudley, Tom Staley, and Bill Bivins round out the squad in that order.

In doubles play, Strand and Keesler hold the top spot, followed by Childs and John Crosland, who also is playing his last year at Davidson. Kennedy and Dudley form the third doubles team.

Davidson was once again selected as the site for the Southern Conference Tennis Tournament, the dates being May 10, 11, and 12.

1951 WRESTLING TEAM

Wrestling

The season record of Davidson's wrestling team of this year, showing only one victory, was a disappointment to Cat wrestling fans. The grapplers, however, faced a hard schedule that included Washington and Lee, N. C. State, V.M.I., U.N.C., The Citadel, Duke, V.P.I., and the University of Virginia. A decisive victory was won over U.N.C., and very close matches were fought with Duke and The Citadel.

Returning lettermen next year will be Craven, Irvin, Vail, Grissom, Guiton, Morrow, and McNeely. These men, with several freshmen moving up to the varsity, should develop into an improved team. Captain Johnny Kelton was hampered by injuries all season, and was unable to participate in several matches. Kelton and Bob Gav are the only lettermen who will not return. The team was coached by Charlie Parker.

Gene Craven was the most consistent winner for the team, being defeated only once in the dual meets. Jim Grissom, Johnny Kelton, and Bob Gav also had good records in dual competition. Both Craven and Irvin showed up well in the Southern Conference Tournament.

THE 1950 CROSS COUNTRY SQUAD

Cross Country

After starting practice with prospects for an excellent season, the Wildcat cross country team was dealt a severe blow when number one man and captain of the team Blake Bradley was forced out of action by stomach trouble. The loss of Kennett Smith also hurt Coach Pete Whittle's team, but the harriers ran close meets with all the teams that defeated them, and came through with three wins and four losses, gaining wins over the University of Georgia, Washington and Lee, and the University of Virginia.

The Cats entered the State Meet at Raleigh, where State, Carolina, and Duke came in ahead of the Wildcats. In the Southern Conference meet the next week, five teams nosed the Davidson harriers out of a field of nine teams. In the State meet, Tom Stockton won third place.

The addition of several promising men from this year's freshman team gives promise of another good season in 1951.

CAPTAIN MONTY HILL
COACH ELGIN WHITE

*Standing: McLean, Sloan, Gaither, Erwin, White.
Kneeling: Barnes, Fitzgerald, Hill, Brandon.*

Playing what Coach Elgin White called the "hardest schedule in the south," the Davidson linksters had their work cut out for them this year, but showed plenty of pre-season power. A strong team, led by Captain Monty Hill, included lettermen Mac McLean, Jim Sloan, and Cecil Brandon, and was bolstered by such outstanding men from last year's freshman team as Al Gaither, Lewis Barnes, and Lawrence Erwin. The squad was rounded out by Al Fitzgerald, who was ineligible last year.

The strength of the opposition is shown in the list of opponents which the Cats faced, including N. C.

State, U.N.C., Charleston Naval Air Station, Rollins, University of Florida, Florida State University, Duke, U.S.C., Furman, and Wake Forest. The toughest opposition was expected from the three Florida teams. At press time the team had shown its potential strength by taking a preliminary match from Mooresville Mills Country Club 23-4, and in the season opener by beating N. C. State 18-9.

Captain Monty Hill was a semi-finalist last year in the Southern Intercollegiate Golf Tournament at Athens, Ga., and is expected to enter again this year.

Swimming

In its baptismal season, the Davidson Catfish team sank three out of ten opponents under the capable leadership of Silver Springs' Bill Blue Ray. Davidson topped the University of S. C. twice, and The Citadel, and in the second South Carolina meet at Columbia, Bill Ray, Francis Pepper, and Ray Cunningham set five pool records. "Blue" is also the holder of the Davidson pool record of 24.3 seconds for the 50 yard freestyle.

In the Southern Conference Individual Championships meet, the Davidson tankmen came home heavily laden with trophies. In the Trophy (top) Division, Bill Ray took first place in the 50 yard freestyle, and Frances Pepper placed fourth in the 1500 meter freestyle. Ray Cunningham and Pepper also placed in two events each in the Medalist Division, and in the Freshman Medalist Division Ben Gary and Ed Stuart won places in their respective events.

The freshmen won two out of three meets, and should be a material addition to next year's team of six returning lettermen. Francis Pepper and Ken Taylor will be co-captains next year.

THE 1951 CATFISH

CHEERLEADERS

Custodians of the cherished Davidson Spirit, the Wildcat cheerleaders have the jobs of bolstering student body spirits in the rough spots, and co-ordinating cheering in the high spots. Head Cheerleader this year was Monty Hill, and assisting him were Bill Cassels, Jinks Jervey, Eric Clark, Bruce Ballenger, Al Cook and Tommy Haller.

Freshman Sports

This year might well be called a year of extremes as far as freshman sports were concerned. Team success varied all the way from an undefeated season in cross country to a non-winning season in wrestling. Some teams were two deep in equal talent, while others had severe manpower shortages; nevertheless, many new stars appeared in the Red and Black of old Davidson who will be heard from again and again in the next few years.

Let's take a look at freshman sports at Davidson over the past year, just for old times' sake, for in the next few years freshmen will be eligible for varsity competition to help offset the expected manpower losses due to the national emergency, and separate freshman squads will be a thing of the past.

COACH RAY BROWN

COACH BOYD BAIRD

1950 WILDKITTEN FOOTBALL SQUAD

In spite of the new Booster Club and Bill Stern's compliments, the Freshman football team this year did not produce the hoped for results. Playing a four game schedule, the Baby Cats were severely trounced by Furman and State, lost a close scrap to Citadel, and beat Lees McRae. We must remember that much of Freshman practice time is spent running other team's plays against the varsity, which leaves little time to work up a good attack of their own; nevertheless, the spirit and talent to help the varsity in the next three years are there. Boys to remem-

ber are Johnny Gray and Dan McCall in the backfield, and Bob Loy and Billy Putnam in the line.

Cross Country was a different situation. Harrier supporters saw Pete Whittle's charges go unbeaten in a four meet schedule. Led by Bill Shipley, the Wildkitten Harriers sped past all competition to insure Wildcat Cross Country prospects for several years to come. Shipley took third place in the state meet and is definitely to be heard from in Davidson running circles. Bob Murray and Bill Coe were other boys responsible for such a fine record.

1950 FRESHMAN CROSS COUNTRY SQUAD

The basketball record was not good, but the season did produce some moments of glory. One factor to be taken in consideration when reviewing the team is that it was consistently hampered by injuries, two very capable boys being forced to miss most of the games for this reason. George Melton, a big 6 foot 8 inch center who might develop into the "big" center Davidson has never had, led the scoring with 167 points in 17 games. Dennis Boyd, Johnny Gray, Eddie Adams, and Ted Oldenburg were other capable boys. The record was 5 wins against 12 losses.

Wrestling was carried on to some extent among the Freshmen, but it was not emphasized. Four matches constituted the schedule, though a full team did not participate in any of them, all of which were lost. Don Reid,

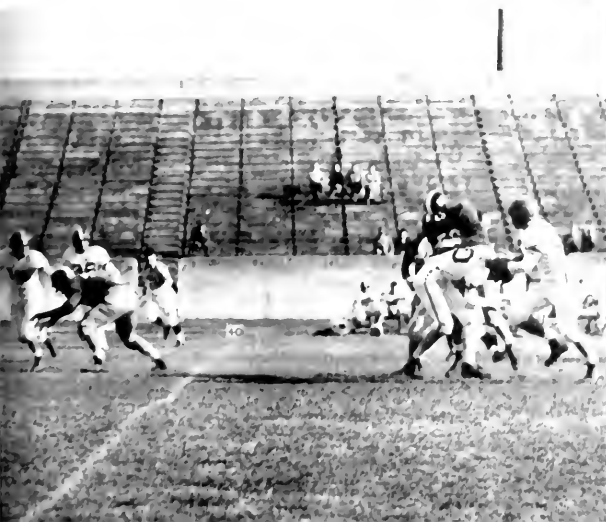

Bill Dobbins, and Bob Loy all showed promise of future development.

A five man swimming team won two matches from the University of South Carolina Freshman team and lost once to Duke. Ed Stuart won the 100 yard sprint in the medalist division of the conference meet, while Bob Buck, Ben Gary, Bob Mitchell, and Robert Mims were the other boys on the team.

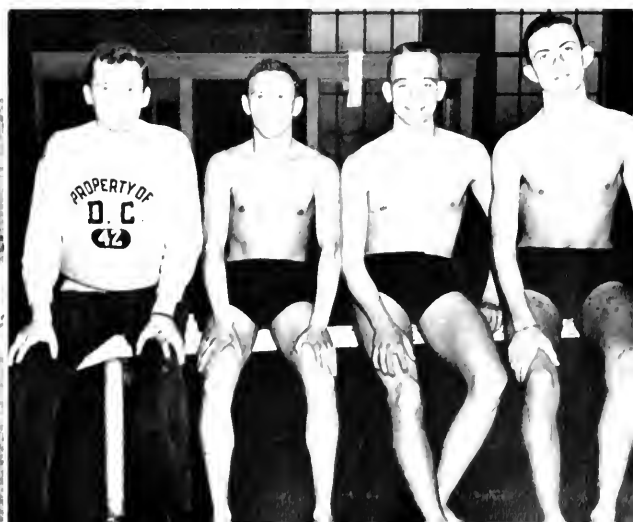

Golf has not officially started yet, but Bobby Brannan and Graeme Keith look like the backbone of a good team. In the tennis department, Johnny Bremer, Corky Johnson, and Buford Price will form the nucleus of what should be a winning Freshman tennis squad. Track and Baseball are still in the formative stage as we go to press.

Intramural Sports

Intramural sports competition at Davidson seems to be constantly on the rise, both in interest and in participation. This year reached new heights in the quality of the teams and in the size of crowds looking on, while another new trend seemed to be headed toward Sigma Chi dominance as contrasted with the Kappa Sig dominance of the last few years.

Football came first and the championship was not decided until the very last game of the season when the Betas, paced by tailback Chuck Elliot, beat a good Kappa Sig team to wrap up the crown, with the Kappa Sigs second. One bad feature to be noticed about this year's games is the number of injuries resulting from roughness, some of which were serious.

The basketball season produced much better teams, although the usual close games were still present. The Sigma Chis, featuring beautiful teamwork and an airtight defense, went unbeaten to end up with a firm grip on first place. This is the first time in several years that a team has not been beaten. They were paced by Tyler Berry and Phil Blatt, though much credit should be given to their coach, Warren Herron. The KA's and Kappa Sigs ended in a tie for second place.

Phi Delt Track Champions received cup.

At Davidson

The Pi Kappas again won the handball tournament in its second year of competition, and again the Kappa Sigs were in a tie for second place, this time with the ATO's knotting them.

Also in its second year of competition, the swimming meet was won by the Sigma Chis, with the Kappa Sigs again finishing second. The outstanding performer in the meet was Gray Hampton, who set two new records in leading the Sigma Chis to their victory. Other new records were also set by John Steifel of the SAE's in the backstroke and George Crone of the Kappa Sigs in the breaststroke.

None of the spring sports has begun as we go to press, although they comprise half of the Intramural competition. Horseshoes is the only new sport to be introduced this year and it has yet to begin, while volleyball and softball have not started nor has the Interfraternity Track Meet been held.

fraternities

Pan-Hellenic Council

The Pan-Hellenic Council is composed of eleven representatives from the social fraternities on the campus. Embodied in the council is the recognition of the fact that "a strong, properly constituted interfraternity organization is necessary in order to promote desirable interfraternity relationships and to deal with interfraternity matters."

The council, headed by William R. Klein, may be justly proud of its fine record this year. Its first duty was the supervision of the rushing season in September.

The Pan-Hellenic Council is not limited to one field, for it acts as sponsor for all the dances of the Davidson College student body. It made its social debut with the Homecoming dances, which were held in the Johnston Gymnasium October 21st and 22nd, with music furnished by Charlie Spivak and his orchestra. The Mid-Win-

ters set, held February 17th and 18th with music by Bill Clarke, was most successful. At present the student body is eagerly anticipating the annual Spring Frolics, which will take place on April 27th and 28th with music by the nationally known band of Claude Thornhill.

Mrs. "Jay" Roberts, Sponsor

As another fifteenth of September rolled around, Minerva's boys returned to their old haunts eager to renew their quest for knowledge. Then Rush Week, the brothers "Greek Week" culminating by the pledging of twenty-five veritable "balls of fire."

Can it be forgotten? The horror of that first six-weeks report . . . Homecoming . . . Lightning's third place decorations . . . the football game, another moral victory . . . the sumptuous repast at Erwin Lodge . . . Lost nights at the Casbah . . . the long ride back . . .

of Minerva

Intramurals . . . Fleetfooted "Bugeves" Hill
. . . the never failing arm of Col. Roberts . . .
the impossible catches of "Big Bob Benitti" . . .
the hectic hours on the hardwood . . . then the
warm days . . . the shuttle cock . . . outdoor
days in Minerva Park . . . Mid-winters . . .
Duval's import . . . nights at the El Mo . . .
Saturday morning classes . . . the women . . .
that dense fog . . . other unmentionables.

The return of "Shifty" and "the Rivie Bird"

. . . the television set and many more wasted
hours . . . meals at the Boarding House . . .
the bellow of "Bull Moose" and his "ves" man . . .
vacated "In memoriam to those who have passed
on—inflicted with that dread disease, "Gone-to-
Korea" . . . those draft notices . . . the defer-
ments . . . the Naval Reserve . . . Admiral
Taylor: "They will be moaning at the bar, when
he puts out to sea." . . . All these things we
remember, but most of all the fellowship down
at the S.A.E. House.

MISS NANCY FIEBER, Sponson

With the draft board breathing down our necks most of us managed to stay around, if not too close around. To those who have gone the way of all healthy 19 year olds such as Runyan and Fasul, we'll miss you . . . good luck! To those who just became brothers, take care of Kappa Sigma tradition.

When we look back over the year there are events and people that we still remember, such as . . . Rush Week when "Lip" sang his first solo . . . "He's a good boy" . . . passing the box on "Sleepy" Jim McFarland . . .

Snappa Scrappers

Homecoming when it forgot to rain and when we won the decoration prize for the first time in the history of the chapter . . . Turk and Eric at the beach . . . Grimes Thomas and the waiters . . . Randy and Shreveport . . . the Black and White function at the Policeman's Club when Torrence told about his trip out west . . . the Clarkmobile which once made a four hour trip to

Charlotte . . . the remodeling of the house and the TV set which is threatening to fail more boys than the flick . . . Mid-winters when it rained as usual . . . the members of Phi Beta Crapper and also our two members of Phi Beta Kappa . . . But above all we remember the friendly give and take that makes a fraternity a brotherhood. It has been a good year in the house on the corner.

"Boswell and Johnson" . . . the "Rev." Kellum, S.F.A., leading "Our Jewels" . . . mellow music, feminine fairness, Tyson's talk, and mirthful McGeachy enlivening our first function. Harris opening his date bureau . . .

"Scrooge" feeding the infirmity . . . Sink and

McDonald seeking higher learning via the Goren method . . . "Rosebud" and "Fifi" calling each other names . . . "Gat" and B. G. maliciously planning "instruction" week and "Zombie" earnestly interrogating pledges with "what's my name?" . . . "Mole," the outstanding pledge . . . "Muggsie's gang" kidnapping "Ping-pong" and the "Good Shepherd" for nocturnal ambulation . . . and the big day finally arriving—our installation—and we became EO of ATO.

HONORARY FRATERNITY COUNCIL

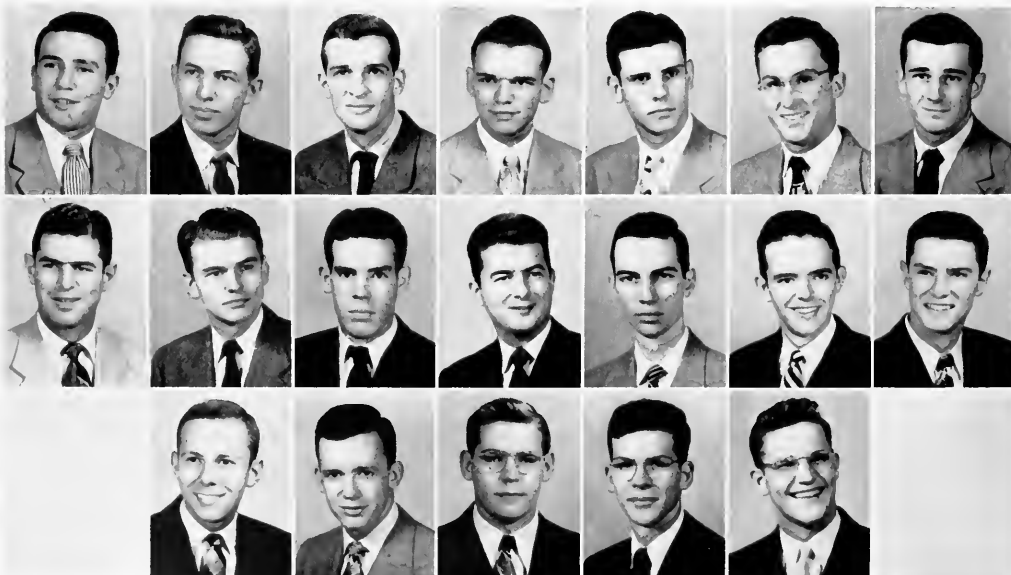

Irvin R. Stubbs

President

The Honorary Fraternity Council is composed of the presidents from all the honorary fraternities on the campus. As an honorary fraternity concerns itself with a certain field or area of study, its members are elected or chosen only when they have shown outstanding abilities and interest in the subject of the particular group.

The Honorary Fraternity Council serves mainly as a co-ordinating agency for these Honoraries. Its duties include approving honorary fraternities that wish to organize on the campus, setting the dates for the meetings of each group, and seeing that each of the fraternities conducts regular programs in its particular field.

SCHOLARSHIP

Omicron Delta Kappa

... Leadership

Omicron Delta Kappa has as its purpose: (1) to recognize men who have attained a high standard of efficiency in collegiate activities; (2) to bring together the most representative men in all phases of collegiate life and thus create an organization which will help to mold the sentiment of the institution on questions of local and intercollegiate interest; (3) to bring together members of the faculty and students of the institution on a basis of mutual interest and understanding.

The International Relations Club is an organization, primarily serious in character, meeting semi-monthly to discuss world issues, hear lectures, and engage in debates on international problems. Its purpose is to foster interest in world problems and relations and to promote discussion on questions of international importance. The local chapter here at Davidson comes under the sponsorship of the Carnegie Endowment for International Peace.

Second row: Herrion, McFarland, Neumann, Oberndorfer, Robinson.

Third row: Spivey, Stolberg, Thies, Thomas, Voils, Whitesides.

Delta Phi Alpha

The national honorary fraternity, Delta Phi Alpha, seeks to honor excellence in German and thereby give students an incentive for higher scholarship. The fraternity aims to promote the study of the German language, literature and civilization, to further an interest in, and a better understanding of, the German-speaking people, and to foster a sympathetic appreciation of German culture.

Scabbard and Blade

The National Society of Scabbard and Blade is an honorary military fraternity emphasizing and recognizing military achievement. Its purpose is to bring about a closer relationship among the military departments of American colleges and universities; to preserve and develop the essential qualities of good and efficient officers; to prepare educated men to take a more active part in the military affairs of their communities; and above all to spread more intelligent information concerning the military requirement of our country.

Sigma Pi Sigma, the physics honor society, was not only founded at Davidson, but has the distinction of being the only such society of its kind on a national level. The objects of this society are: to serve as a means of awarding distinction to students showing high scholarship and promise of achievement in physics; to promote student interest in advanced work of the subject; to promote professional spirit and friendship in the field of physics; and to popularize interest in physics on the general collegiate level.

First row: Bailey, Balk, Barnwell, Crymes, Daniels, Drymon, Garrison, Gibbs.

Second row: Gilliland, Harris, Hart, Hickey, Johnson, Larkin, Lynch, McGeachy.

Third row: Neumann, Roberts, Roper, Russell, Whitener, Whitesides, Dorton.

Phi Mu Alpha

Phi Mu Alpha, national honorary music fraternity, has as its purpose the advancement of music on the campus and in America. Gamma Kappa chapter here at Davidson confers membership upon those who show their love of music either by adopting music as their profession or by advancing the cause of music in America.

Gamma Sigma Epsilon is the only national honorary co-educational fraternity, being founded at Davidson College in 1919. Its goal is to recognize those who have done outstanding work in college chemistry and to stimulate an interest in further study of the subject.

Spanish Club

First row: Abbott, Clark, Coburn, Freeman, Garrison, Jervcy, Jones, Keever.
 Second row: Kiser, Kistler, Martin, Maynard, Miller, Mirce, Morton, Myers.
 Third row: McNeely, Reynolds, Russell, Taylor, Tucker, Walker, Wearn, Yorke.

Sigma Delta Pi

Membership in Sigma Delta Pi shall be considered as a reward to those who manifest special interests and attainments in the study of Spanish. The purpose of this chapter is to stimulate a greater interest in and knowledge of Spanish and Spanish-American culture on the part of the students of Davidson College, that a more friendly and understanding attitude might be established between the students of our nation and those of the Hispanic world.

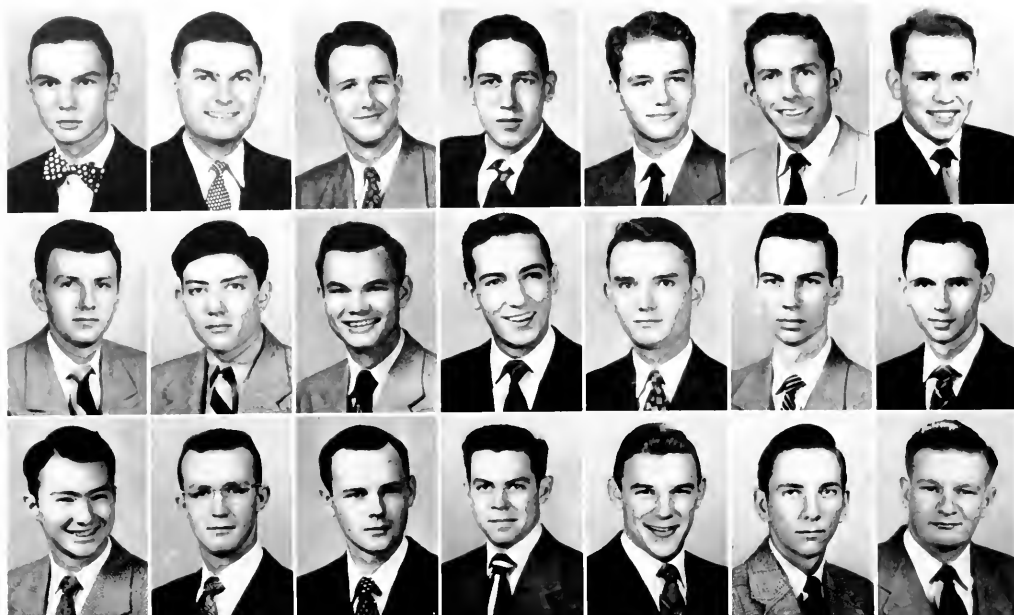

The Spanish Club is not a national organization, but a prerequisite to membership in the Davidson Chapter of Sigma Delta Pi.

Le Cercle Francais is a national honorary organization whose purpose is to promote interest in and an ability to use with correctness and facility the French language, and to stimulate interest in France herself.

First row: Bacon, Brooks, Coleman, Downs, Evatt, Fickeisen, Freeman.

Second row: Graham, Gregg, Guiton, Henry, Lazenby, Lippard, McInnis.

Third row: McLean, Nichols, D. Stockton, T. Stockton, Strand, Wade.

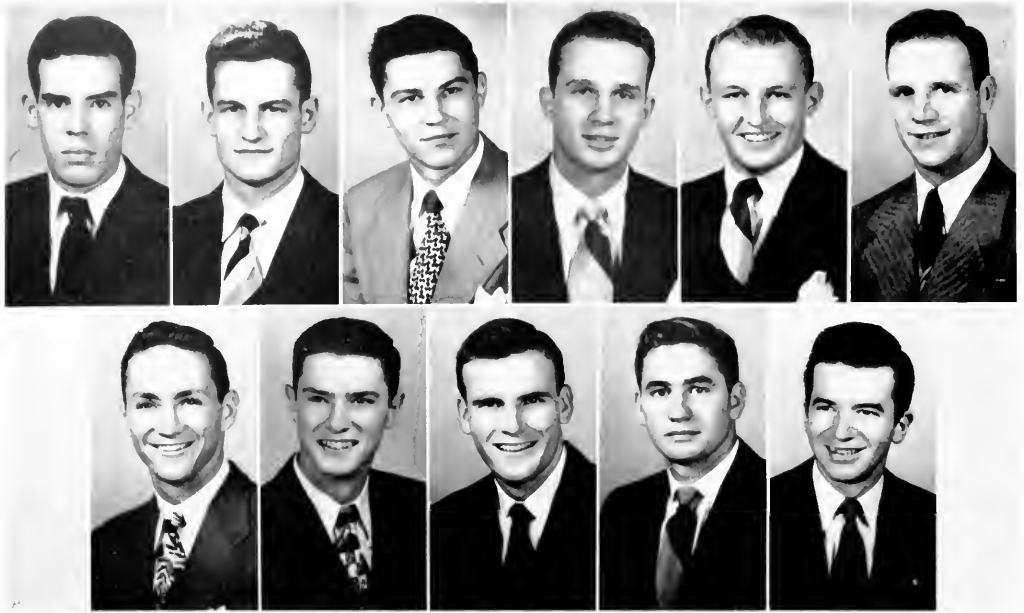

The Beaver Club

The Beaver Club never consists of more than twenty-four members, with twelve each coming from the Sophomore and Junior classes. Upon becoming a Senior, a member is retired from the club.

Members of the Beaver Club seek to foster better relations between Davidson and other colleges and universities by assisting and entertaining visiting athletic teams while they are on the Davidson campus. In addition, it sponsors many other worthwhile activities on the campus.

To become a member of Sigma Delta Psi, a man must prove his versatility as an athlete by passing fifteen requirements set forth by the national headquarters.

Sigma Delta Psi represents an advanced ideal in education, in which physical accomplishment of a high order is established as a definite standard, but in which neuro-muscular skill and co-ordination are allied intimately with mental power and are considered the avenue of expression of the mental or spiritual life.

First row: Gav, Currie, Daniels, Hollister.

Second row: McKay, Aldred.

Alpha Psi Omega

Nineteen fifty-one marked the re-activation of this national dramatics fraternity on the campus, largely through the efforts of Prof. Tyson of the Speech Dept. Although it is not generally known, the organization functioned on the campus before the war, but "folded" as a result of the war bleeding the campus of manpower.

The purpose of Alpha Psi Omega is to give added incentive to work in dramatics. Eligibility for membership is based upon a point system determined by the national chapter, with the minimum consisting of two major roles and four minor roles in major productions. In addition, candidates must display the attributes of willingness, co-operation, a love for and interest in dramatics, especially in the school where the individual's chapter is located.

Alpha Epsilon Delta seeks to encourage excellence in pre-medical work by furnishing a goal toward which the student may strive during the early semesters of his pre-medical career and to bind together similarly interested persons. Furthermore, it seeks to bridge the gap between the spirit of the pre-medical school and that of the school of medicine.

APPRECIATION

The staff of the 1951 QUIPS AND CRANKS would like to thank all persons who have worked so tirelessly with us on this year's book. Especially we would like to express our appreciation to:

Mr. Buck Shelton and Mr. Price Coursey and the art department of the Charlotte Engraving Company, who have spent many long hours in bringing the pictorial matter to completion.

Mr. Harrie Keck of the Observer Printing House, who has been very patient and efficient in getting the printed matter to press. We would especially like to thank him for his work on the cover design for this year.

Mr. and Mrs. J. C. Brumfield of Brumfield Studio, who have spent much time and energy in trying to add perfection to the individual portraits.

To these and many others we express our gratitude, realizing that the completion of this book is due in great part to their efforts.

HOW TO MAKE FRIENDS AND KEEP THEM

1. Keep skid chains on your tongue; always say less than you think. Cultivate a low, persuasive voice. How you say it often counts far more than what you say.
2. Make promises sparingly, and keep them faithfully, no matter what it costs you.
3. Never let an opportunity pass to say a kind and encouraging thing to or about somebody. Praise good work done, regardless of who did it. If criticism is merited, criticize helpfully, never spitefully.
4. Be interested in others; interested in their pursuits, their welfare, their homes and families. Make merry with those who rejoice, and mourn with those who weep. Let everyone you meet, however humble, feel that you regard him as a person of importance.
5. Be cheerful. Keep the corners of your mouth turned up. Hide your pains, worries and disappointments under a pleasant smile. Laugh at good stories, and learn to tell them.
6. Preserve an open mind on all debatable questions. Discuss, but don't argue. It is a mark of superior minds to disagree and yet be friendly.
7. Let your virtues, if you have any, speak for themselves, and refuse to talk of another's vices. Discourage gossip, and make it a rule to say nothing of another unless it is something good.
8. Be careful of others' feelings. Wit and humor at the other fellow's expense are rarely worth the effort, and may hurt where least expected.
9. Pay no attention to ill-natured remarks about you. Simply live so nobody will believe them. Disordered nerves and poor digestion are common causes of backbiting.
10. Don't be too anxious about getting just dues. Do your work, be patient, keep your disposition pleasant and amicable, forget self, and you will be respected and rewarded.
